THIRD URGENT REQUEST FOR RETURN OF INITIALED PTO-FORM 1449

Sir:

On January 5, 2005, an Urgent Request for Return of Initialed PTO-FORM 1449 was filed together with a copy of the November 3, 2004 Information Disclosure Statement and a photocopy of the postcard receipt indicating that the Information Disclosure Statement was received on November 3, 2004. A second Request was filed on February 22, 2005. However, an initialed and dated copy of the Form PTO-1449 has still not been returned to the undersigned. Inasmuch as the Information Disclosure Statement was timely filed, it should have been considered by the Examiner and it is requested that the Examiner now confirm consideration or proceed to consider the art previously timely filed. Return of initialed and dated copy of the Form PTO-1449 submitted with the Information Disclosure Statement of November 3, 2004 is respectfully requested.

Respectfully submitted,

NIXON & VANDERHYE PC.
